URBAN REFRESHMENT

A day of Prayer and Conversation about Christian Presence in Towns and Cities in Wales

This event is part of a UK-wide consultation on the big issues in urban mission that will feed into a global conference in Edinburgh - Edinburgh2010 on 'Witnessing to Christ today' (www.edinburgh2010.org) via the 6th triennial UK Urban Mission Congress (*Jesus in the City – JITC Belfast2010* - www.jitc.org).

JITC is coordinating a process to link in to Commission VII of Edinburgh2010, which addresses the questions most pertinent to the UK urban context. JITC is listening to the voices of grassroots activists from this and other events around the UK in 09, in order to feed in the UK urban experience and the voices from the streets, and thus brief the delegates from across the globe to the Edinburgh2010 event. JITC is especially concerned that young people's voices are heard.
